VOL. 51—No.

## Proclamation Issued By Governor For Fourth Registration, April 27

Time To Be Between Hours of 7 A. M. to 9 P. M.—Places Of Registration and Registrars Listed Below.

Whereas, the Act amending the Selective Training and Service Act of 1940, approved December 20, 1941, provides for the extension of liability for military service and for the registration of the manpower of the Nation; and

Whereas, the President has by proclamation on the nineteenth day of March, 1942, given notice to all persons subject to registration in the several States, including the State of Mississippi, and in the District of Columbia, and in the Territories of Alaska, Hawaii, and Puerto Rico; of the fourth registration in accordance with the provisions of the Act as amended;

(a) That the time of said registration shall be on Monday, the twenty-seventh (27) day of April, 1942, between the hours of 7 A. M. and 9 P. M.

(b) That every male citizen of the United States and every other male person residing in the continental United States or in the Territory of Alaska or in the Territory of Hawaii or in Puerto Rico, other than persons excepted by section 5(a) of the Selective Training and Service Act of 1940, as amended, and by section 208 of the Coast Guard Auxiliary and Reserve Act of 1941, is required to and shall on April 27, 1942, present himself for and submit to registration before a duly designated registration official or Selective Service Local Board having jurisdiction in the area in which he has his permanent home or in which he may happen to be on that day, subject to the following conditions:

(1) If such male citizen or other male person on February 16, 1942, had attained the forty-fifth anniversary of the day of his birth and on April 27, 1942, has not attained the sixty-fifth anniversary of the day of his birth and has not, herebefore been registered under the Selective Training and Service Act of 1940 and the regulations thereunder;

(2) Provided that the duty of any person to present himself for and submit to registration in accordance with said Act shall not be affected by this proclamation.

(3) A person subject to registration may be registered before the day set herein if arrangements therefor are made by the local board under rules and regulations prescribed by the Director of Selective Service, public notice hereof to be given by the local board when such arrangements are made.

(4) A person subject to registration may be registered after the day fixed for his registration in case he is prevented from registering on that day by circumstances beyond his control, provided that such person shall present himself for and submit to registration as soon as possible after cause for such inability ceases to exist.

Whereas the President of the United States has called upon me, as Governor of the State of Mississippi to do and perform all acts and services necessary to accomplish effective and complete registration, I do now call upon and especially enjoin all officials of the State of Mississippi, the counties and municipalities therein and officials of the Selective Service System to give full cooperation in effecting this registration as herein set forth, such registration to be in accordance with the Selective Service regulations governing registration, with every person subject to registration required to familiarize himself with such regulations and to comply therewith. Every person shall be deemed to have notice of the requirements governing registration upon publication by the President of a proclamation or other notice fixing a time for any registration. I further urge all employers and state agencies of all kinds, state, county and local to give those under their charge sufficient time, in which to fulfill the obligations of registration incumbent upon them under the said Act and this proclamation.

Whereas, it is imperative, with our Nation at war for its very life, to increase and train the personnel of the armed forces of the United States, and that in a free society the obligations and privileges of military training and service shall be shared generally in accordance with a fair and just system of compulsory military training and service;

Now, Therefore, I Paul B. Johnson, Governor of the State of Mississippi, do hereby proclaim and give notice that every male citizen and male person within this state within the designated age limits and subject to registration in accordance with the Selective Training and Service Act of 1940, as amended, and in accordance with the President's proclamation shall present himself for registration between the hours of 7 A. M. and 9 P. M. on the twenty-seventh day of April, 1942, at the location designated by the Selective Service Local Board having jurisdiction in the area in which he has his permanent home or in which he may happen to be on the day designated.

In Testimony Whereof, I have hereunto set my hand and caused the Seal of the State to be hereunto affixed, at the City of Jackson, Mississippi, this 10th day of April, 1942.

## NEW SECRETARY APPOINTED FOR LOCAL RED CROSS

At a meeting of the Executive Board of the Hancock Chapter of the American Red Cross held at the Courthouse on Thursday morning, the Board accepted the resignation of Mrs. Dennis F. Burge, Executive Secretary, and appointed Mrs. Louis F. Maumus in the place of Mrs. Burge.

Mrs. Burge had served in the position of Executive Secretary for about a year and had accomplished quite a bit of work. Mrs. Maumus has been extremely active in Red Cross also and assisted Mrs. Burge and is familiar with the many details of the office and will fit into work excellently.

## JUDGE WALTER A. WHITE DIES AT BILOXI

News reached Bay St. Louis Thursday morning that Judge Walter A. White, former Judge of the Second Judicial District of Mississippi, had died at his home at Biloxi following a long illness.

Judge White was born in Rankin County, Mississippi and educated in the county schools of that county. He studied law under Governor A. J. McLaughlin and carried on his law practice in Brandon for seven years before moving to Biloxi in 1890. Judge White served one term in the State Legislature and was then appointed District Attorney in 1895 in which position he served until 1904. He continued in the active practice of law until 1925 and upon the resignation of Judge D. M. Graham, he was appointed Circuit Judge by Governor Henry L. Whitfield to fill the unexpired term of Judge Graham. He served as Circuit Judge until 1938. He did not offer for re-election.

The people of Hancock County knew Judge White intimately as their District Attorney and as Circuit Judge.

Judge White was 87 years old. He is survived by three daughters, Mrs. G. H. McMurrough of Lexington, Mississippi, Miss Laura White and Mrs. Allen Watson, of Biloxi; and one son, John T. White of Jackson.

## Hancock County Club Girl Wins 1st Place in Poultry Judging

Hancock County has many things for which she can feel justly proud, but one recent thing for which the people of Hancock County should feel proud, is the accomplishments of Miss Mildred Baker, the youngest daughter of Mr. and Mrs. John L. Baker, of the Leetown Community, who is a Junior at Kiln High School.

This young lady made the highest score of thirty-five contestants at the Hattiesburg Poultry Show, for the judging of poultry. She has been a member of Hancock County 4-H Club for four years. She started poultry work in 1940 and was on the first poultry judging team from Hancock County last year.

Mildred's high score was made up of her judging of eggs, birds for production, birds for exhibition and most important, her ability to tell the judges why she placed one bird above the other.

The winning of this contest entitles this young lady to try for a position on the state team, against other district winners, which contest will be held at the State Fair. If she should place on the state team, for her reward she will be given a trip with the state team to the National Live Stock Show with all expenses paid.

Mildred has done quite well in Club work. Before starting poultry work she planted and cultivated a section of the family garden and canned all of the products not used by the family. Last year a cotton dress that she made and entered at the State Club Congress was in the red ribbon class.

To Miss Eleanor Smith, the County Home Demonstration Agent of Hancock County, credit should be given for her training of the young ladies of this county, and to Mr. and Mrs. John L. Baker who offer our congratulations for the accomplishments of their young daughter, for we know the home training that the children of Mr. and Mrs. Baker receive, has had quite a bit to do with the success they have attained in club work.

## FOUR SONS OF WAVELAND FAMILY IN MILITARY SERVICE

SONS OF MR. AND MRS. T. J. BOURGEOIS, SR. IN SERVICE

Top left: Haywood; Right: Stanley; Bottom: left, Elwood; Right, Jerry

Mr. and Mrs. Thomas J. Bourgeois, Sr., of Waveland, Mississippi, have every reason to feel proud of their family, and the people of Waveland are justified in feeling proud of having such a family in their town.

Mr. Bourgeois is the Mayor of Waveland and has served as Mayor for a period of twenty-three years. He was elected Mayor of Waveland in 1906 and served for sixteen years. He resigned and left Waveland to move to Biloxi. Later he returned, and in 1934 was again elected Mayor and is serving in this position today.

Mr. Bourgeois married Miss Jennie Ladner, daughter of Mr. and Mrs. Etienne Ladner. Both Mr. and Mrs. Bourgeois were born and reared in Waveland. They had twelve children, eleven sons and one daughter. Eleven of these children are now living. The other child, Woodrow, was killed in an accident while working on the docks in the City of New Orleans about two years ago.

Felton, the eldest son, is living in Waveland with his parents.

Roy, who married Miss Lucille Dubuc, has three children. His eldest son, Roy Jr., was one of the four honor graduates at the Samuel J. Peters High School in January, 1942. Clarence, who married Rose Cuccia of New Orleans, has one child

## BAY HIGH P. T. A. TO HAVE FATHERS' NIGHT, APRIL 14TH

The regular monthly meeting of the Parent-Teacher Association of Bay High School will be held on Tuesday, April 14th at 8 o'clock at the High School. This will be a Fathers' Night and an interesting meeting and everyone is invited to attend.

Mrs. Louis Pate, well known speaker, will address the Club on Latin America and there will be a Pan-American exhibit, this date being Pan-American Day.

## ROTARY MEETING HELD WEDNESDAY

At the weekly luncheon-meeting of the Bay St. Louis Rotary Club held at Hotel Reed on Wednesday the following were elected as members of the Board of Directors and from which membership the new officers for Rotary will be elected shortly, namely: Gregg Gregory, Milton A. Phillips, H. W. LeTissier, Horace L. Kergosien, Ben F. Hille, and Lucien M. Gex.

## Interesting Meeting Held Monday Night of Pere LeDuc Council K. of C.

An interesting meeting of Pere LeDuc Council of the Knights of Columbus was held at the K. C. Hall on Monday night with Rev. Father Gmelch and Rev. Father Clark attending.

Father Gmelch delivered the eulogy in memory of the late Father Dennis O'Sullivan.

A discussion was held on the forthcoming initiation of fourth degree members to be held on April 26th which will be a large and gala affair which will be attended by knights from the different coast councils.

## Entertainment At Middlegate Gardens At Pass Christian

Middlegate Gardens, one of the beautiful gardens at Pass Christian, will be open next Sunday, April 12th, and a small charge of 25c is being asked from persons wishing to visit this beautiful garden, the proceeds to be given to the American Red Cross.

The Garden will open at nine A. M. and will close at 6:30 P. M. Special entertainment and music will be provided from three in the afternoon until six o'clock.

To give four of their sons to the service of their country, and the other six boys are within the draft age. Anyone not knowing Mrs. Bourgeois and the size of her family, would not think that she is the mother of a family of twelve, with her youngest son old enough to be in the army. She is a splendid woman and, in our opinion, one of the best mothers that we know. She is to be commended and congratulated for the great work that she has done in raising to manhood and womanhood this splendid family. May God bless her and may she and Mr. Bourgeois live to see their sons return to them unharmed.

## Regulations Regarding Operation Of Boats In 8th Naval District

This Section Affected by New Ruling — Operators of Small Boats and Skiffs Must Have Identification Card—Fishermen Likewise.

## HANCOCK COUNTY BOYS ENGAGED IN DEFENSE WORK

Left: Mike Rogers; Right: Willard McCarty

Today the boys from Hancock County can be located in every section of the United States and in some foreign countries, engaged either in defense work or in the armed service of our country.

News comes to us that Mike Rogers of Bay St. Louis and Willard McCarty of Logtown, who received training at the N. Y. A. Center at Hattiesburg, are now employed in one of the defense industries in Connecticut.

Mike Rogers is the son of Mrs. Willie H. Green and a grandson of Capt. John Pechau. He will be remembered by the folks in town as one of the little newsboys who sold papers at the head of Main street and the Beach. He is one chap that everyone who knew, admired. He has always had a splendid personality.

Willard McCarty is the son of Mr. and Mrs. Sam McCarty of Logtown.

The spirit of both of these boys is to be admired, as both are below the draft age and are trying to do something for the defense of their country.

## Thoughts of A Boy In Service

The past week, I received a letter from Radio Operator, Henry Otis of the United States Navy, a Logtown boy, stating how much he appreciates receiving The Echo. He suggested that we carry a column telling of the activities of the many boys in service, giving their addresses, so that the boys might have some correspondence among themselves and so that they might know where their friends are stationed.

This, in our opinion, is a very splendid idea. We are going to try to carry a column each week with some news of the boys in service. We can only do this if the relatives of our splendid young men will give us this information. We have quite a list of addresses and ranks and the paper is going to these young men weekly. However, there are still many in service whose addresses we do not have.

We want you to know that you are not asking for something, if you send us the address of your boy and request that the Echo be sent to him. We are only too glad to render this small service. It is a favor that you are doing for us, not one that we are doing for you. We know that the boys like to hear from one another and this is one means of making it possible for them, and don't forget that they like to know what all of the folks back home are doing, too.

We might also make a suggestion that the folks back home take a little time out and write to the boys that they know who are in service. An occasional letter from the folks at home makes these boys feel that the people that they know are thinking about them. Do this, even though you have no son or relative in the service. Pick out the boys who are your friends and the friends of your family and let them hear from you once in a while.

To you parents! Let us again ask you to send the address of your boy to The Echo office and we will be glad to mail him a copy of the paper each week.

Regulations for the operation of small boats have been issued and these regulations effect the people in this section considerably. We feel that the regulations as set out are very clear and we are listing them herewith:

All vessels, of whatever size, normally propelled by machinery, and all vessels of 16 feet in length or over, whether propelled by machinery or not, operating within the waters of the Eighth Naval District, must have a license to operate.

All persons, 14 years of age or over, operating or working on any vessel, regardless of size, must have an identification card.

Transient guests and passengers may be exempted, provided boat and master or operator is properly licensed and/or identified, and such operator or master realizes and accepts the responsibility for such guests or passengers.

Operators of fishing camps who rent boats under 16 feet in length to transient fishermen, may obtain a blanket license covering a specified number of such boats. All boats under such license must have the serial number of the license plainly marked on the boat. At least one of the persons renting such a boat must be provided with an identification card and accept responsibility for all others.

No boat may anchor or drift within 300 yards of any railroad or any highway bridge.

All vessels passing through any of the above bridges may expect to be boarded and examined for papers. The operation of radio transmitters on vessels in the inland waters of this district is governed by the Eighth Naval District Radio Regulations dated 16 February, 1942.

Fishing in South and Southwest Pass to Mississippi River is not allowed.

South Pass, Mississippi River, is restricted to military use only.

Fishing vessels or yachts proceeding beyond the inland waters of the United States must report their departure and arrival to the Captain of the Port or his representative. Should none be conveniently located, this report may be made to the nearest Naval or Coast Guard Unit.

Nothing in the above regulations is intended to prohibit owners of property within the prescribed limits, from fishing from, or securing their boats to such private property.

Applications for licenses, radio licenses, and identification cards must be made to the Captain of the Port.

All applicants for this District shall be made at the Custom House in New Orleans or to the Captain of the Port at Pascagoula. When application is filed, it is necessary that the applicant have three small, recent taken, photographs and a birth certificate. It is our understanding that it is necessary for all persons owning a boat (even your fishing skiff) be registered.

We sincerely hope that the people will take notice of these regulations and secure the necessary license and probably save themselves embarrassment.

## Easter Week End Proved Profitable Both Socially and Financially

The Easter week end and spring holidays brought over a large number of people to Waveland and Bay St. Louis and stimulated business in all lines.

Reed Hotel had a capacity crowd and a number of large summer rental residences were occupied by school and college groups. Everywhere summer residents also opened their homes and entertained guests.

Many boys and girls home from school and college for the Easter season and the number of men in service who visit Bay St. Louis each Saturday and Sunday added to the number and a real holiday spirit prevailed.

Special services in all churches ending the Lenten season were attended by great numbers and at every service in every church, visitors mingled with members of the regular congregations.

Automobile traffic was heavy on all highways and fortunately, no serious accidents in this vicinity occurred although a number of victims of minor accidents received treatment at the local hospital.

## Coast Union Sodality Convention Sunday

REV. FR. JOHN NIEMEYER, of Bay St. Louis, Spiritual Director of the Coast Union Sodality, will be celebrant of opening Mass of Convention.

REV. FR. VERNON P. ALEMAN, Archdiocesan Director of the Sodality for the New Orleans Archdiocese who will discuss "A Sodalist's Responsibilities in Social Life."

REV. FR. JOS. BRUNINI, Chancellor of the Diocese of Natchez, who will discuss "A Sodalist's Responsibility in Home Life."

The Coast Union Sodality Convention will be held in Bay St. Louis on Sunday, April 12th, and a series of interestingly planned meetings will be had.

The convention will open with High Mass at 8:30 A. M. This Mass will be celebrated by Rev. Father John Niemeyer, Assistant Pastor of the Church of Our Lady of the Gulf and spiritual director of the Union.

The music of the Mass is to be rendered by a group of Bay St. Louis Sodalist, and is of the highest type that the Church has today. The Proper of the Mass will be done in the purest polyphony that is to be found in the world today in the form of Harmonized Psalmody from the sixteenth century and Gregorian Chant from the tenth century, with a beautiful contrast

of a fine composition of highly approved Kyrie, Sanctus and Benedictus by a contemporary composer and outstanding Catholic choir. The hope of truly Catholic choirs in the appreciation of this music by Sodalist of today. As Sodalist, let them take an especial note of this Sunday.

Following the Mass, the first session will be held at 10:30 A. M. with an address of welcome by the Very Reverend Father A. J. Gmelch, Pastor of Our Lady of the Gulf Church of Bay St. Louis.

The afternoon sessions will begin at 1:30 P. M. and will continue until 5:00 P. M. when the Convention will close with Benediction of the Blessed Sacrament. The various discussions will center around one main theme, "A Sodalist's Responsibilities

in the Home, School and Social Life."

The first discussion paper is to be given by Henrietta Ware, of Pass Christian, entitled, "A Sodalist's Responsibility in Home Life" to be discussed by Rev. Joseph Brunini, J. C. D., Chancellor of the Diocese of Natchez.

The second session paper entitled, "A Sodalist's Responsibility in School Life" is to be given by Charlotta Castanera of Sacred Heart Biloxi, and discussed by Rev. Father Waters of Gulfport.

The third paper entitled, "A Sodalist's Responsibilities in Social Life," will be given by Arthur Perez of St. Stanislaus and discussed by Rev. Vernon P. Aleman, Archdiocesan Director of Sodality of New Orleans.

## REV. FATHER DENNIS O'SULLIVAN

GOD in his wisdom saw fit to remove from our midst Reverend Father Dennis O'Sullivan, as grand a character as ever walked the face of the earth. He was one of God's noble men. Born in Ireland, he left his native country, studied for the priesthood and was ordained in Alexandria, Egypt.

He served in the African missions in the early part of the century for ten years. Broken in health, he came to America, volunteered for service in Mississippi and served as an assistant at Vicksburg, as Pastor at Bassfield and at the Back Bay Church in Biloxi.

He came to Bay St. Louis to live about three years ago, after retiring on account of ill health. This man gave forty-two years of his life in the service of God in addition to the number of years spent in preparing for this service prior to his ordination.

All who knew Father O'Sullivan loved him. They loved to sit and chat and listen to his Irish wit and share in his experiences. We who have the comforts of life, of a home and family, could learn a great lesson if we would only stop and study, and think of the sacrifices made by this 'True Irish Priest' for his God and for the salvation of mankind. Leaving behind his family and the ones he loved and suffering hardships in the wilds of Africa, he then came to America and selected one of the poorer dioceses and worked incessantly among the people of his faith in the isolated sections of Mississippi, with probably in many instances, the bare necessities of life.

In our opinion, the greatest tribute that can be paid him, is to say that he was truly a Priest.

## CONSCIENTIOUS OBJECTORS

PAPERS this past week were filled with the news that Lew Ayres, famous film actor, had been exempted from military service as a 'conscientious objector' and placed, in a camp with some two hundred other 'conscientious objectors.'

We have tried to adjust our thinking powers to see both sides of this question. Up until now we have been unable to see but one side; that is, how can a man who has been as successful as this man, who has accumulated riches, who has enjoyed the freedom of this country and possessed so much of worldly goods; have the gall to say that he would not fight to preserve this freedom and this liberty and protect these possessions, that have until now, apparently meant of much to him?

We cannot agree that the proper course is to place this type man in a "conscientious objector" camp. In fact we cannot agree that there should be any 'conscientious objectors' when our freedom and our liberty, our homes and all that is near and dear to us, may be in peril. We believe that when our boys are sent to war, that it is an injustice to expect them to fight to protect men of this caliber who do not have the nerve nor the courage to fight for their own country.

It is our opinion that instead of sending these types of men to a "conscientious objector" camp for the duration of the war, that they should be sent to some God forsaken island for the remainder of their lives, without the benefit of any of their riches or worldly possessions. Surely anything worth having should be worth fighting for, and would be heroes and public idols, should be the last to set such a poor example.

## PUNISHMENT FOR DISLOYALTY

UNITED STATES Attorney General, Biddle, has stated that citizenship would be withdrawn from disloyal foreign born. We are in thorough accord with this statement. There should not be any 'ifs' and 'ands' about it. If a foreign born person who has been naturalized, cannot be loyal to his adopted country, his citizenship should be withdrawn.

It is our opinion, that harsher steps, even, should be taken, than the mere withdrawing of their citizenship. We feel that when a person has migrated to this country, has received the benefits, has enjoyed the freedom and the liberty that is granted to him under our Constitution; that if he should become so ungrateful, to forget what this great and noble country has given to him, surely, his punishment should be far more severe than the mere withdrawing of his citizenship. We wonder, if the people who migrated to the countries with which we are now at war and have become citizens of these countries, have shown, or were they to show disloyalty, just what punishment would they receive? We are sure that it would not be the mere withdrawing of citizenship, but that it would probably be the drawing of a squadron of soldiers, armed with rifles, facing the disloyal person whose back would be against a brick wall.

We in this country are prone to take too lightly the matter of disloyalty. We believe that anyone caught espousing the theories and pronouncements of our enemies or anyone attempting to undermine our Government, should not get mere jail sentence or be cautioned that they should not do this again, but that these people should be given the same punishment that would be given to our people if they were arrested under similar circumstances in enemy territory, and, as we stated before, this would not be mere imprisonment, but death!

## OUR JUNIOR SENATOR

FROM the Tylertown Times comes an editorial which states with great emphasis at the start, that America is at war, all out war for the freedom of men and nations the world over, stating that men, industry and materials are being drafted, as every energy of our great nation is geared to round the clock war production; that public opinion has galvanized America, the arsenal of democracy, into a mighty fighting machine; that in every factory, store, office and home throughout the land usual pursuits, habits and routine have given way to the unusual demands of a nation at war.

The editorial states further that in this hour of world wide crisis, the only thing continuing is politics; that the usual bickering selfishness and pettiness of politics is today the one great bottleneck of our war effort; that politics, as usual, must therefore end for the duration of the war. Men must be drafted into public office who will put the business of winning the war above everything else. We must have men who are big enough to put their country first and everything else, including politics, in second place.

In our opinion, if this editorial had ended there, the editor of the Tylertown Times would have accomplished something, but he carried on and stated that politicians of the usual type were now candidates for the United States Senate from Mississippi, and then, in our opinion, cast an indictment against our United States Senators and our Members of Congress: "Can we expect anything but politics as usual from long time politicians?"

We do not believe that it was the purpose of the Editor of the Tylertown Times to charge the men who have been holding political office for a long time, with not being 'big enough' to put their country first and to put the business of winning the war above everything else. We believe that our Senators and our Congressmen are patriotic American citizens who have the courage to vote their convictions in Congress and who would not put anything before their country, whether it be politics or what not. However, there was an ulterior motive in the editorial of the Tylertown Times. As we read on, the editor states that we should draft a man to run for the United States Senate, and gives the qualifications of this man: "A business man; a hard hitting, two-fisted he man; a man who has had legislative experience; a man who has proved he is not a politician; a man capable of making Mississippi and America a forceful war-time Senator," and lo behold, the man to be drafted is Hugh White of Columbia, former Governor of Mississippi.

Let's compare the qualifications of the man that the Editor of the Tylertown Times says should be selected, with the man he has suggested that the people of Mississippi draft as a candidate. It has always been our understanding that Hugh White inherited his riches. Does that make him a business man? As to being a hard hitting, two-fisted he man, we are not in a position to discuss this phase of his qualifications. As to being a man who gets things done; if reference is made to his accomplishments while Governor of Mississippi, we believe that the credit should go probably to the members of the Highway Commission who, in our opinion, did more to control the legislature during his term as Governor than he did. When he talks about a man who has had legislative experience, we are certain that he is not speaking about the former Governor. If he has had any legislative experience, we wish that the Editor of the Tylertown Times would enlighten us; and then he states that the former Governor is a man who has proved that he is not a politician. We WONDER how he was elected Governor of Mississippi.

He states that the former Governor could have been in the United States Senate if he had been a 'politician,' as usual, 'politician.' Our friend loses sight of the fact that our former Governor ran for the United States Senate against the man who elected him Governor of Mississippi, and, in our opinion, that was the particular reason he did not go to the United States Senate.

Apparently the editor from Tylertown has not acquainted himself very well with the methods of procedure in the United States Senate. We have been told and from observation have noted that the usual procedure is for a newly elected senator to keep quiet, and in the event the newly elected senator should decide that he has to expound his theories, the older Senators, from point of service, usually put him in his place, and then you can rest assured that he will remain there.

We loved and admired the man who, in our opinion, was one of the greatest Senators Mississippi has ever had, Senator Harrison, and we all know that when he first became a member of the United States Senate, he was little known and little heard of, even though he had served in Congress for a number of years. However, as time went on he grew into being one of the most popular, most forceful, and most respected members of that great legislative body. Senator Harrison did not accomplish this by attempting to tell the older members of the Senate what to do, but his accomplishments were attained by gaining the confidence of the men that he worked with.

It is our belief, that our present Junior Senator, the Honorable Wall Doxey, has followed the proper procedure upon his entry into the United States Senate. He has been named a member of the powerful Appropriations Committee, and in turn, if he continues in service, he will reach the top. We can this writer remember the words of our distinguished late Senator Harrison just some few months prior to his death. In speaking of members of congress, he stated that, in his opinion, Wall Doxey would make a good United States Senator. We believed him then. We still believe him, and we do not believe that it is necessary to draft the former Governor of Mississippi as a candidate for the United States Senate.

## DOUG FAIRBANKS, JR. SUPERB IN THRILLING ACTION ROMANCE

### Star Plays Swashbuckling Dual Role in Small's Brilliant Production of "The Corsican Brothers"

With Douglas Fairbanks Jr. in a swashbuckling role he brings back memories of his father, "The Corsican Brothers." Edward Small's production of the Alexander Dumas novel, will have its first showing Sunday and Monday at the A. G. Theater, through United Artists release. Swift action, thrilling drama, and all the romance of the Dumas novel are here, expertly directed by Gregory Ratoff, and given superb production by Producer Edward Small. That the audience will recognize "The Corsican Brothers" as top-notch entertainment, is promised.

**Swashbuckling Hero**  
In the dual role of the twin brothers, who seek revenge for the wrongs done their family by the Corsican tyrant of one hundred years ago, Douglas Fairbanks, Jr., gives an exciting performance. He has no easy job creating two separate characters who are different, yet alike in most respects. One, brought up in luxury, is a gay young man of the world. The other, raised as a bandit in the wilds of Corsica, is a dour and forbidding personality. Yet young Douglas Fairbanks manages to convey their likenesses, as well as their differences, with an authenticity that is astounding.

Ruth Warrick in the feminine lead, is comparatively a newcomer to motion pictures, but in this film, she gives ample evidence of her ability. She is a lovely creature, and she can act.

The stellar supporting cast includes, Henry Wilcoxon, Gloria Holden, J. Carroll Nash and H. B. Warner.

In all, "The Corsican Brothers" adds up to entertainment plus. Fine production, brilliant direction, and the romance of an Alexandre Dumas story well told on the screen, spell screen entertainment that is liked by everyone.

## ORTTE THEATER PRESENTS SUN-MON. "THE WOLF MAN"

With Claude Rains, Warren William, Ralph Bellamy, Patric Knowles, Bela Lugosi, Maria Ouspenskaya, Evelyn Ankers and Lon Chaney as The Wolf Man

Spectacular horror dramas of the past almost without exception have been exceptional successes, although most of the horror hits have presented but a single star.

The "Frankenstein" films featured Boris Karloff, "Dracula" starred Bela Lugosi, and the late Lon Chaney, Sr., was virtually the only star to appear in "The Phantom of the Opera," the original "Hunchback of Notre Dame" and his other successes.

Now Universal studios, creator of all the above-mentioned thrillers, not only brings a new horror star to the screen in "The Wolf Man," but the drama opening Sunday at Ortte Theater also features seven other prominent players.

Young Lon Chaney is seen in the title role, a hair-raising characterization said to out-do all of the previous horror creations of the screen.

The cast is headed by Claude Rains, now recognized as one of the movies' most distinguished actors, who was introduced in another thrill-filled film of 1933, "The Invisible Man."

The other featured roles are filled by Warren William and Ralph Bellamy, the "Lone Wolf" and "Elery Queen," respectively, of two series of mystery films.

Bela Lugosi, the original "Dracula" of stage and screen, has a comparable role in the new film. Maria Ouspenskaya outstanding character actress of many dramas, is seen as Lugosi's mother.

In romantic assignments are Patric Knowles, leading man of several mystery films, and Evelyn Ankers, young leading lady of another recent mystery on the comedy side, Abbott and Costello's "Hold That Ghost."

## Ortte Theater Now Offers "Lucky" Novel And Amusing Game

"Lucky" will be introduced next Thursday, April 16 to the patrons of Ortte Theater. As well as being novel and amusing this game, which is very similar to Keno, will also prove profitable to some of the patrons participating.

The game will begin about 8:30—each patron will receive a "Lucky" card upon entering the theater—numbers will be called from the stage to fill out the "Lucky" cards. There will be seven winners of one dollar or more each Thursday night plus a jackpot. The jackpot will begin at \$10.00 and if no one takes the jackpot the amount will increase by \$5.00 each Thursday until someone wins the pot.

The program on these nights will always be first-run and highly entertaining in every way. The program for Thursday, April 16, the night "Lucky" will be introduced, is "Sleepers West" with Lloyd Nolan and Lynn Bari with selected shorts and news. Be sure and attend and enjoy the thrill of playing "Lucky" as well as seeing a good show.

## Hancock County Men in "The Service"

The Sea Coast Echo wishes to advise the parents or relatives of any of these men that it will gladly mail a copy of the paper to the boys if their address is given to the office. The newspaper will bring direct to the men away from home news of what the folks back home are doing and we trust this service will be one which they may enjoy.

The following list of names was supplied The Echo and should any service man's name be omitted it would be appreciated if it would be sent in.

## Rice Goes to Washington

ATTORNEY General Greek L. Rice has returned from a trip to Washington where he went on official business. While in the Capital City the Attorney General was invited to appear before a House Ways and Means committee having under consideration the matter of taxing state and municipal bonds for the benefit of the federal government. This policy, of course, would make it difficult for states and cities to borrow money on the bond-issue plan, as the tax collected by the federal government would affect the interest rate on bonds and the tax-payers of the states and cities would have to pay it in higher interest rates on local bonds. Gen. Rice gives it as his opinion that the proposition to tax state and local bonds will be defeated, even though it has been asked for by the Secretary of Treasury.

## Will Scrap Iron.

A new law authorizes the Capitol Commission to sell the scrap metal, iron and steel, at the old insane hospital buildings and grounds, and a preliminary survey indicates that several hundred tons will be available for the market. This sale will bring some cash to the state and at the same time apply much needed material for the factories making the implements of war for the government. The old buildings impaired beyond usefulness may also be sold.

## Fire Destroys Malmaison.

For just ten years short of a century, Malmaison, the ante-bellum home of Greenwood Leflore, last of the Choctaw Chiefs east of the Mississippi river, has been one of the show places of Mississippi. Malmaison was erected about 1852 by the Choctaw Chief as his private home, surrounded by his 15,000-acre plantation. Much of the furniture and trimmings of the mansion were imported from France, and were said to be decorated and trimmed with solid gold. Malmaison was one of the finest and most pretentious private homes ever erected in Mississippi. The place was named for the old home of Josephine, the divorced wife of Napoleon, whom Leflore greatly admired. On Tuesday night of last week the fine old mansion went up in smoke and is now but a memory of those who knew it. Malmaison was located in Carroll county, 11 miles east of Greenwood.

## Candidates Filing.

Candidates who have filed their "intention to run" with the Secretary of State are: Red A. Ross, of Meridian, candidate, Congress, 6th District; Herbert Hosey, of Laurel, for Congress in the 6th District; Thos. G. Abernethy, of Okla., for Chancery judge in the 2nd district; Claude Clayton, of Tupelo, for circuit judge of the 1st district; Thos. H. Johnson, of Corinth, for circuit judge of the 1st district; H. F. Causey, of Cleveland, for circuit judge of the 11th district; John W. Crisler, of Clarksdale, for circuit judge of the 11th district—present incumbent by appointment; Edward H. Green, of Cleveland, for circuit judge of the 11th district.

## Dies Visited State.

Hon. Martin Dies, the well known Texas congressman who has been directing a committee investigation of "Un-American Activities" in the United States, was in Mississippi a few days ago but not in connection with his committee work. Mr. Dies says he wishes other states were as free from Fifth Columnists as Mississippi is. So far as known to the public Mr. Dies has not found anything in this state to attract the attention of his committee, and this is something that all our people appreciate.

## New Streamline Train.

The G. M. & O. Railroad Company has put on a new streamlined passenger train from New Orleans to St. Louis via Jackson, Mississippi; Jackson, Tennessee and Cairo, Illinois. The new train carries Pullman and Observation car and has all the modern conveniences for the traveler.

## Income Tax Up.

According to the records of the State Tax Commission the state income tax brought to the state treasury in March, 1942, \$1,087,832.15 more than was collected from that source in March 1941. The increase in sales tax collections in March of this year shows an excess over March 1941, of \$180,654.77. Total collections through the state tax commission for the first quarter of 1942 shows an excess over 1941 of \$2,220,699.10.

## JEEPTOONS

By Fighting Men

Men of the fighting services are adept with pen and brush, as proven in art groups in USO clubs. USO presents examples of their work in a series of "Jeeptoons."

## "Get in The Scrap"

THE Gallup poll shows that two-thirds of the people have not yet responded to the call for all available scrap for defense. The poll shows that there are 3,000,000 tons of scrap metal in farm yards, and if collected, it would average 175 pounds per family. The poll also shows that the scrap in the South is highest with 300 pounds per family.

War factories need this scrap metal to make guns, planes, tanks, and ships. Waste materials furnish about 50 per cent of the new materials used in the steel industry, 20 per cent in the aluminum industry, and 5 per cent in the copper industry. During 1942 some 30,000,000 tons of scrap metal will be needed. This scrap is now selling for a good price. It is useless about the home. The country needs it, and our citizens can do a very real service for the arms program by cooperating with the recently organized Mississippi Salvagers for Victory Committee. This committee is putting on a drive through the schools and the civic clubs to "Get in The Scrap" and asking our people to either give their scrap to some organization making a collection drive or to sell the scrap direct to junk dealers.

## AAA Payments for 1941

Heretofore AAA payments have been made to the farmers of Mississippi by December of the current year, but only about fifty per cent of the checks for 1941 had been issued by planting time this year, and a good many farmers were inconvenienced thereby when they began making arrangements for financing a new crop. Several things caused this delay, according to the AAA authorities here work in the county offices in connection with the program to encourage the production of crops for national defense, particularly more vegetable oils; the setting up of the cotton insurance program for the first time; and difficulties that had arisen in connection with the AAA assignment agreements in Mississippi, which had to be worked out before the payments could be made. The AAA authorities advise me, however, that all of these troublesome details have been smoothed out and that the county offices were authorized to proceed to certify the remaining applications for payment on March 21. They say that it is just a routine matter now and that the AAA checks should be received right along.

## Army Pay Increase

The Senate has passed a bill, and the House will no doubt concur in it, to increase the pay for the service men from a minimum of \$21 to a minimum of \$42 per month, with maintenance. Under this bill the United States soldier receives the second highest pay of any soldier in the world, exceeded by Australia, which pays its soldiers \$82.10 per month. The rates are: private, \$42; private first class, \$48; corporal, \$68; and on up through the various grades to a master sergeant, \$138—the amount of a Second Lieutenant formerly received. For overseas service 20 percent is added to the home base pay.

## Registration

The number of men 45 to 64 years old, who will have to register with their local Selective Service board on April 27, is estimated at 13,589,800 for the United States, Director J. C. Capt. of the Bureau of the Census, Department of Commerce has just announced. Of this number 12,516,400 are white and 1,073,400 are non-white. These men are the ones born during the period April 28, 1877, to February 16, 1897.

## EPISCOPAL GUILD SPONSORS SILVER TEA

The Episcopal Guild of Christ Church held a silver tea on Tuesday afternoon at the home of Mrs. Gayle Aiken, Jr., on the Waveland Beach which netted a handsome sum which will be used to defray the expense of placing new pews in their church.

The Aiken home was lovely throughout with spring blossoms and from a prettily appointed table, tea and coffee were poured by Mrs. Warwick Aiken and Mrs. Carl Marshall. A large number of persons called throughout the afternoon and the tea was a bright and beautiful affair.

## DATE OF POSTPONEMENT

Due to illness among the cast, "A Southern Cinderella," which was to have been presented Thursday, April 9th, by the Dramatic Club of St. Joseph's Academy has been postponed until Monday, April 13th. Tickets for this play may be obtained from high school students or at the door on Monday. Admission—Adults, 25c; Children, 15c.

both inclusive. Under existing law they would not be subject to military service, but the registration is expected to provide vital information on skills and to complete the picture of the total manpower available for military and civilian needs.

## HOW THE New War Conservation Order AFFECTS TELEPHONE SERVICE

To conserve war materials, the War Production Board has limited replacements or additions to existing telephone plant equipment.

As a result, some types of equipment and services normally provided by the telephone company will not be available to civilians as heretofore.

The order is expected to save many thousands of tons of vitally needed rubber, copper, zinc, lead, iron, steel and other scarce metals. Southern Bell is complying with the order by doing its utmost in every respect to achieve the desired results in saving materials. Within the limitations imposed by the order, the Company and its more than 27,000 men and women will continue in every possible way to furnish you dependable, efficient service.

We know that we may depend upon your wholehearted cooperation.

## What Our Boys In Service Are Doing

Henry Otis, son of Mr. and Mrs. Lamar Otis of Logtown, was a member of the United States Naval Reserve and was called for active service early in 1941. Henry is now a radio operator in the United States Navy, and his address is Fleet Post Office, San Francisco, California. We are sure that Henry will be happy to hear from some of the boys in service from this section of the Country.

Lieutenant J. C. Roland, Jr., of Hq. Replacement Center, Bldg. 402, Camp Lee, Virginia, enlisted in the army as a private. He was stationed at Fort Benning, Georgia and remained there for several months and was promoted to Staff Sergeant. From there he was transferred to Porto Rico, and from that point was sent to Officers' Training School at Camp Lee. About six weeks ago J. C. was commissioned as a Second Lieutenant.

We know that his parents are proud of him and we join in with many other folks in the hope that he will continue to advance in the armed service of his Country.

Anthony Benvenutti, Jr., entered the service of his country and was sent to Camp Croft, South Carolina. He has been advanced to the rank of Private First Class and has been transferred to Co. A, 13th, Bn. 4th Reg. Fort Meade, Alabama. We are sure that "Bobby" would be happy to hear from his many friends who are in service.

Rene de Montluzin, Jr., enlisted in the United States Coast Guard and was given a rating of Pharmacist's Mate, Second Class. At the present time he is stationed at the Coast Guard Academy, New London, Conn. Many remember our jovial, smiling young druggist and we hope to soon see him 8 commissioned officer in the United States Coast Guard Service.

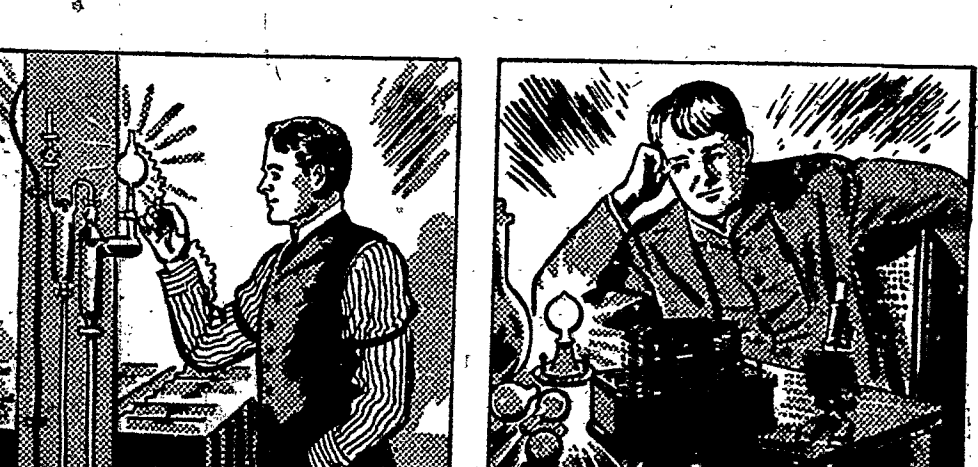

Marvin M. Pearson, son of Mr. and Mrs. Pearson of the Caesar Community, was the first man in Hancock County to volunteer for service under the Selective Service System. He entered Camp Shelby and was transferred to Camp Beauregard. He is now stationed at the Air Base at Ponchartrain Beach, New Orleans, La.

We are in receipt of a letter from Billie Osbourne who is stationed at Williams Field, Chandler, Arizona, in the 537th School Squadron, stating that he was informed that if he would write to "The Echo," that he would send it to him weekly. He tells us that he will be very glad to get it and keep up with home town news. You can rest assured that his wish will be granted. This is an example of how the boys feel about getting news from home, and we hope that Billie's friends will write him occasionally.

James L. Schwall, son of Mr. and Mrs. Julius Schwall of Bay St. Louis.

## Edison's Ideas Go to War

American scientists and inventors, many of them working in the laboratories of American industry, will play a big part in helping to win the war.

1. Thomas A. Edison, born 95 years ago on February 11, was one of America's greatest inventors. In addition to his famous lamp...

3. Today electric light, electric power, and radio—so much improved that Edison wouldn't know them—are performing many vital tasks in America's war effort.

General Electric believes that its first duty as a good citizen is to be a good soldier. General Electric Company, Schenectady, N. Y.

A. G. FAVRE  
Chancery Clerk.

## Soldiers From Keesler Field Entertained By Recreation Unit

Fifty Keesler Field boys were entertained at the Knights of Columbus Soldiers' Lounge Easter Sunday night.  
The lounge was beautifully decorated. As one entered, the first thing that caught your eye was a large cross of deep pink azaleas with a background of cedar and surrounded by a circle of electric lights representing vari-colored flowers. It was very spectacular. In the center of the refreshment table an orchestra of bunnies was arranged on a peach and silver stage. On the piano there was a cathedral with stained glass windows and a number of dolls representing an Easter Parade.

A new addition to the patriotic decorations were the Uncle Sam hats over the four large ceiling lights and three large stars of red, white and blue covering the three center lights.

Souvenirs of vari-colored rabbits were given each soldier and refreshments served. Every boy had a grand time enjoying these new games and dancing.

The party was in charge of the Nationalized Certified Recreation Defense Project under the supervision of Mrs. Margaret Backman, Mrs. Alma Quintini and Mrs. Katherine Thomas.

"Is A Smile Worth While?"  
I hope the title of this little article will reach out like magic and gently touch the heart of those who read it. "Is A Smile Worth While?" The words are simple but crammed into each word is the true meaning of human understanding and kindness. Did you ever do a kind deed and receive a warm smile in return? Right there is where the above title fits in. Have you ever thought what a smile means today in this war-torn world?

Personally I could not find words to express just how I feel when on the nights we open the doors of the K. C. Hall as well as our hearts and see as many as seventy-five and often a hundred boys filing in with smiles on their faces and soon you hear about back home, about mom and how glad they are to come to Bay St. Louis; how nicely everybody treats them. Well, no matter how hard you have worked, the smiles on these boys' faces make it worthwhile for after all there are very few of us who don't have someone, somewhere in service in a distant land and we are hoping that they are being given a warm welcome and folks are being kind to them and they are flashing back smiles which makes these folks feel a smile is worth while.

So come up sometime when we entertain the boys. It will be worth it and we will be glad to see you.  
—MRS. MARGARET BACKMAN

## OFFICERS ELECTED FOR KINGS DAUGHTERS HOSPITAL

At the regular monthly meeting of the Kings Daughters and Sons Hospital, held on last Monday at the hospital, Mrs. A. F. Fournier and the other officers serving on the Hospital Board were re-elected as follows: Miss Elsa Spori, 1st Vice President; Mrs. Stella Catching, Second Vice President; Mrs. G. Y. Blaise, Secty; Dr. J. A. Evans Treas.

## Wisteria Trail About Bay St. Louis Beautiful

The wisteria trail in Bay St. Louis at present is truly beautiful and the many lovely spring gardens in full bloom leave one at a loss where to really begin in order to do justice to them.

Riding about, one notices wisteria trailing on fences and up into trees in a splendid array of gorgeous color. All along the fence of the L. & N. depot grounds, wisteria is blooming at present. A large tree in the rear of the John Green home on South Beach is entirely covered with wisteria. At the J. B. Goldman home on Second and Fifth streets, a gorgeous white wisteria also covers a large tree and runs along the fence. At Mayor and Mrs. G. Y. Blaise's home on Hancock street, an old and gnarled wisteria vine trails for up into an oak tree and along the fence. In the Engman yard on Hancock and Booker, wisteria vines and trees mingle their colors with a spray of blooming azaleas. In the Roffs yard at Second and Court streets, a beautiful white wisteria tree is blooming.

Visiting the Picher garden which at present is at its height of beauty, one is amazed to see the quantity of wisteria growing everywhere on pergolas and up into trees. Also the beauty of the collection of azaleas there is breath-taking. Cherise roses are everywhere, with dainty white beauty mingling with the pretty greens of other vines. A truly rustic garden with many ingenious forms over which ivy, wisteria and other greens grow in original creations of Mrs. Picher.

A stream running through the garden provides moisture for large beds of midsouth fern which grow profusely and annuals make this one of the pretty gardens in which some variety of flower is at bloom at all times.

## Attention High School Students of Ages 17 to 19

Are you planning on entering college? If so, you are eligible to join Class V-1 of the United States Naval Reserve and remain in college. Class V-1, for later transfer to Class V-5 (Air Corps) or Class V-7 (Midshipman), is for young men who are enrolled in an accredited university or college pursuing a course leading to a baccalaureate degree and High School Seniors who can furnish a Certificate of Admission to an accredited junior college or university or college. Young men ages 17 to 19, inclusive, who enlist in this Class of the Naval Reserve will be allowed to continue in college of inactive duty until completion of their sophomore year. At that time, those men who request flight training in Class V-5, and who are found in all respects qualified, including aptitude for the service, will be transferred to Class V-5, USNR, for training leading to appointment as an Ensign, A-V (N), USNR. Those who request officer training in Class V-7, and who are found in all respects qualified, including aptitude for the service, will be transferred to Class V-7, USNR, for training leading to appointment as an Ensign for Deck or Engineer duties, and will be permitted to continue in college to obtain their baccalaureate degree with their respective classes, then will be ordered to an indoctrination center preparatory to appointment as a Reserve Midshipman. Those men who do not qualify for transfer to Classes V-5 or V-7, will be ordered to active duty as Apprentice Seamen at a Navy training station for general service. College juniors and seniors are not eligible for this class.

For more detailed information you are urged to call in person at your nearest Navy Recruiting Station.

## HOSPITAL NOTES

Mr. and Mrs. Lawrence Jacobi announce the birth of a daughter weighing 6 pounds, 13 ounces at the Kings Daughters Hospital on April 4th. Mrs. Jacobi was formerly Miss Delta Lizana. Both mother and baby are doing nicely.

Mrs. Albert Favre is improving after an attack of influenza.

Hartwell Cox was treated at the Hospital last Saturday night for a broken arm which was placed in a plaster cast and he was permitted to leave for his home. This is the second time Hartwell has suffered a break of the same arm in a few months.

Joe Compretta was treated at the Hospital Easter Sunday for a severe cut on the lip which required several stitches.

Mrs. Philip Adams was treated at the hospital for a painful injury to her hand and was later transferred to the Kings Daughters Hospital in Gulfport. Mrs. Adams suffered this injury in an automobile accident on Sunday.

Mrs. Katie Luc suffered a severe cut on her arm at her home on Sycamore street last Sunday when a knife which she was using inflicted a deep cut which required several stitches. She was treated at the hospital and later dismissed.

Jack Caldwell of New Orleans was given first aid at the hospital.

Miss Thelma Ellis, R. N., was dismissed from the hospital on Monday and returned to her duties at the infirmary at St. Stanislaus College where she serves as the college nurse.

Mrs. Jerome Carver was dismissed from the hospital on Monday.

## Bay High Notes

On Friday, March 27, Sylvester Pagano entertained a group of Bay High students with a party at his home. During the evening punch and cake were served. Enjoying the delightful party were: LaVern Molere, Lorraine Choina, Beverly Davis, Lydia Mont, Lynn Nolan, Jack Weston, Jimmy Ansley, Tony Trenticosta, Leo Seal, David Sharp, Russell Chappin, Jules Burg, Lando Goldman, J. Phillips, Jack Garriaga, Pat M. Why and C. C. McDonald.

The annual field meet which will be held at Pascagoula is scheduled for April 11.  
Piano contestants who will represent the freshman and sophomore classes are: Gene Robin, who will play "Au Githin" by Godard; and Mary Catherine Sharp who will play "Impromptu" op. 142 by Franz Schubert.

In the music department, Bay Hi will also enter the chorus and quartet. The members of the choral club will sing "Into the Night" by Edwards. The selection chosen for the quartet is "Dedication" by Franz. After recent tryouts from the chorus the following girls were selected for the quartet: Lynn Nolan, Ruth Gray, Anne Smith and Ruth Sanford.

Mrs. J. H. Weston gave a luncheon Wednesday, April 1, for a group of girls from Logtown.  
Those attending were Shirley Fountain, Dot Arendale, Mary Catherine Bennet, Thelma Otis, Shelby Weston and Ann Weston.

A motion picture was shown in the Bay High Auditorium Monday night at 7:30 and information such as "How to Put Out Incendiary Bombs" was given.

The Dramatic Club meetings have been postponed temporarily due to the necessity of chorus practice for the Field Meet which will be held April 10, at Pascagoula.

Two members of the sophomore class, who will enter Field Meet for special work, are Betty Lee Mitchell representing Bay High in the Expression Contest, and Mary Catherine Sharp in the Music Contest. Carl Praetorius a freshman, will represent Bay High in the Declaration Contest at the same time.

## Easter Services At DeLisle Catholic Church

At 6 o'clock a. m. a large crowd of men came to the Holy Table to make their Easter duties and also quite a number of communions at the 9 o'clock Mass. Such splendid demonstration of faith was due to the different beautiful sermons given during Lent by quite a number of zealous missionary priests on the Coast.

The theme of the great Easter Song, O fili et filioe of Palestrina, was well developed in the kyrie of the Missa Angelica and well executed by the good DeLisle choir.

The church was brilliantly and exquisitely decorated with Easter lilies and other well-selected flowers.

At mass the church could hardly accommodate the large crowd and the good Easter spirit filled the hearts of all who gave liberally for the worthy cause.

The congregation was told by Father Sc. to pray for the benefactors of their church especially for the L. family, who gave a valuable tapestry curtain and an extra artistic handpainted Ciborium cover. Both handpainted articles were the work of the talented Mrs. John Pico.

And also for Col. L. C. Christensen, a distinguished gentleman friendly to the Catholics who a few days before Easter wrote to Father Sorin:

"I have been at your morning service on two occasions when we had Catholic friends here, and I certainly enjoyed both of them, especially your sermons also the nice neighborly feeling which exists in the community."

I assure you, Reverend, that I shall be glad to cooperate with the community in every way, and if at any time I can be of service to you or to the community, feel free to call on me. Herewith find enclosed a check for \$50.00, as an Easter gift for your church."

At the end of the mass the Gregorian melody was so well sung that it was a great surprise to some strangers who (some of them) had visited the great Cathedrals of Europe. It was the Me-Missa est, Alleluia, Alleluia.

At Cuevas, Our Lady of Lourdes Church, the altars were beautifully decorated and quite a number of communicants were noticed at that late Mass. At DeLisle, the large congregation had the true Easter spirit and contributed largely to the worthy cause.

Honor to whom honor is due.

## U. S. DEPARTMENT OF AGRICULTURE

Farm Security Administration  
By RUBEN COWART  
Rural Rehabilitation Supervisor

At this time it is important that everyone recognize the part that the low-income farm families must play in the war food production program and what the Farm Security Administration is doing to help those farm families.

There are 8,096,000 farmers in the nation, 1940 census reports show. In 1939, approximately 49 per cent of the farmers received less than \$800 in net "earned" income. Today, the Department of Agriculture estimates that there are still 2,000,000 low-income farm families. These families have not been producing a surplus of food. The majority of these families could not, because they didn't have what it takes in tools and financing.

Already estimates reveal that there will be a farm labor shortage this year with attendant wage increases. Realizing that this condition exists, President Roosevelt and Secretary of Agriculture Wickard have placed the responsibility for producing a large part of this needed food increase on the small, low-income farmers because these farm families have the labor.

Our experience indicates that these families can do the work, provided they have help. They don't have money to buy seed and fertilizer, and many of them need advice and year-round assistance in better farming methods. Yet, with the required guidance and credit, this army of small farmers can produce an essential part of the nation's increased food requirements, and at the same time improve their own income and health.

Proof of what the low-income farm families can do is seen in the 1941 report of FSA borrowers in Mississippi. The average borrower has increased food production from 87 quarts per family before receiving FSA assistance to 341 quarts in 1941. Milk consumption jumped from an average of 399 gallons a year to 62 gallons last year, and meat production increased from 230 pounds to 389 pounds last year. It is reasonable to assume that many

## Waveland News

St. Claire's Church in Waveland was not only a place of worship on Easter morning but a place of beauty as well. The altars with their profusion of Easter lilies and white gladiolus, stock and lighted candles were most uplifting. The vestments worn by the pastor were rich and handsome, all of which greatly added to the inspiring occasion. During the mass Mrs. Ed. C. Carrere rendered the "Regina Coele" in a very beautiful and impressive manner. Mrs. Weber, the organist accompanied with much feeling and softness. Both masses were largely attended. A number of Easter visitors were in attendance.

Mr. Norvin Penrose has a new "hobby." He is now studying to be a taxidermist. Mr. C. B. Mollere of the "Chickenberger" was presented with a mounted "black crow" one of his first experiments. He is now working on a Sea-Gull and in the next few days will be displayed at Mollere's.

A town meeting was held on Tuesday night.

Hazel Lamar is kept real busy these days with her poultry raising.

Mr. Mapp made a business trip to New Orleans on Tuesday.

A large number of week-end visitors were over to enjoy the pretty weather. Jerry Friery entertained a group of friends. Mrs. Ray's daughter, Caroline, with Charlotte Thompson came from All Saints College. Marie Hava, Dorothy Hamner from L. S. U., Baton Rouge. The Samuels, Rosenfelds, Ella Favre, Mr. Goeling, The Claibornes, Mr. and Mrs. Hebert, Mr. and Mrs. Parker and family, Mr. and Mrs. Alphonse Bourgeois with his daughter and son-in-law, Mr. and Mrs. Frank Miller, Mr. and Mrs. V. Dufour with Mr. and Mrs. Joe Bourgeois.

Friends will be pleased to hear that Mrs. Corinne Itullis is improving.

Mrs. Bob Condon was over to join with her parents Mayor and Mrs. Tom Bourgeois in the home coming on furlough of Ellwood. This was indeed a happy event for his wife and family.

Dr. Wymer's home on the beach has been sold to folks from New Orleans.

We are proud to learn of another new family who will reside here permanently. They have purchased the Praeger Log House on Water street.

Morris and Hap Hepler are garden minded these days. They really have set their hearts on raising flowers and vegetables.

Milton Favre son of Alphonse Favre is home on furlough much to the delight of his many relatives and friends.

4-H Meeting  
A 4-H meeting was held at Waveland and Gulfview schools on Thursday, April 9th.

Mr. W. E. Helm, traveling representative of Geo. A. Hormel & Co., made his usual call at spending a most delightful stay with relatives in Biloxi.

The Siemens family motored to New Orleans during the Easter holidays.

The customary joyous and large Easter gathering at the Guy Hopkins and Halsey section of Waveland was lacking this year. However, Corinne and Bill Scoggin and their sons, Guy and Billy, were here. The boys could hardly wait to go fishing. Elizabeth and A. W. "Chick" Stahl came with them. All returning on Monday morning.

Mr. and Mrs. Laurence Jacoby formerly of Waveland, now of Bay St. Louis, are the proud parents of a baby daughter, having arrived on Easter eve.

Buddy Dufour is seen these days with his two Mohawk bred dogs (English setters) Duke and Duchess.

From New Orleans came news of the death of Henry Kiedinger, resident of Waveland for the past 18 years. He resided on Waveland Avenue. He died on Sunday, April 6th at 11:30 o'clock, at the residence 1206 Kelesee street, New Orleans.

Mr. Reidinger is survived by four daughters and three sons. Aged 82 years. The funeral took place on Tuesday, April 7, at 10:30 o'clock from the Jacob Schoen and Son funeral home, 3827 Canal Street. Religious services at St. Augustine Church with interment in Greenwood Cemetery.

## Beautiful Bride Of Past Week

MRS. FRANK VAN DEVENDER, the former Miss Jo Rita Olson

Claiming widespread interest was the wedding of Miss Jo Rita Olson, daughter of Mr. and Mrs. Carl Olson of this city, and Frank Van Devender, son of Mr. and Mrs. Grover Van Devender of Meridian, Miss., and New Orleans, La.

The ceremony took place in the home of the bride's uncle and aunt, Mr. and Mrs. Roger E. Olson, on last Thursday evening at seven o'clock, with a large number of relatives and close friends of the two families and a number of out-of-town guests present.

Throughout the spacious reception rooms of the Boh home, sprays of spirea, dogwood and snail were used profusely, banked on mantels and doorways. Long sprays of white wisteria and evergreens were used on the balustrade of the winding stairway down which the bride entered. Before an improvised altar on which were tall silver candelabra holding lighted tapers, the ceremony was performed by the Very Rev. Father A. J. Gmelch, pastor of Our Lady of the Gulf Church.

The bride, exquisitely gowned in white lace and wearing the traditional veil of illusion, was given in marriage by her brother, William Boardman Olson. She carried a silver prayer-book from which fell white satin streamers holding orange blossoms and orchids. Her only attendant, her sister, Miss Lillian Olson, wore blue organza and lace

and carried an arm bouquet of pink roses and blue delphiniums. Linda Breath, little daughter of Mr. and Mrs. C. A. Breath, carried the rings for the double-ring ceremony on a satin pillow and was charming in a full-length dress of white tulle.

Mr. J. W. Brown of Thibodaux, La., served as best man to Mr. Van Devender.

Mrs. J. Roland Weston and Mrs. Catherine Thomas, violinists, and Mrs. J. B. Goldman pianist, played Lohengrin's Wedding March upon the entry of the bridal party, and before the wedding "Cavita" and "Because."

The bridal cake was cut in the dining room of the Boh home and was placed on a beautifully arranged table with white lace cloth and surrounded by sprays of fern and white blooms.

Mr. and Mrs. Van Devender left for a short wedding trip of undisclosed destination, and the bride chose for her travelling costume a suit of beige with green hat and accessories.

Mrs. Van Devender graduated at Bay High School with honors and is a senior at Louisiana State University and will return to complete her studies.

Mr. Van Devender, also a student at Louisiana State University's Medical Center in New Orleans will return there and where later these young people will reside.

## Two New Centers Organized

Two new Civilian Defense centers were organized in the county last week. Mrs. McDonald and Mr. Cox met with the people from AaRa Academy on Friday night, April 3rd. The moving picture "Fighting the Fire Bomb" was shown and explained by Mr. Cox.

Mrs. McDonald made a brief talk explaining the Civilian Defense set up for this community.

Mrs. H. J. Frierson was elected chairman. Enrollment for this community will take place Thursday, April 9th at the school house from 1 p. m. to 7 p. m.

On Monday night, April 6th, a similar meeting was held in Logtown. Mrs. Sam Whitfield was elected chairman. Saturday, April 11th, from 1 P. M. to 7 P. M. at the school house is time and place for enrollment there.

There will be a meeting of all residents of Clermont Harbor on Friday night at 8 o'clock at the school house for the purpose of completing the organization on civilian defense for this community. The film "Fighting the Fire Bomb" will be shown and Mr. Cox, Chief Air Raid Warden, will speak. Mrs. C. C. McDonald will also make a brief talk.

The picture "Fighting the Fire Bomb" is being shown widely throughout the county. In addition to various centers it has been shown at St. Stanislaus College, St. Augustine Seminary and Bay High School.

## Nutrition Class

A short meeting for the purpose of organizing the Nutrition Class will be held at Bay High on Tuesday night, April 14th at 7:30 o'clock.

Mrs. Juanita Johnson Erwin and Miss Eleanor Smith will be in charge.

This class is being organized primarily for volunteers who have enrolled in the Emergency Feeding group but is open to anyone interested in this phase of the work. The class will meet at night.

Mr. Forster Commagere is meeting with a group of workers to complete plans for sale of Defense Bonds and stamps in Bay St. Louis. This meeting will be held in Civilian Defense Office in the Courthouse Saturday morning at 9:30.

## Civilian Protection

Following are the requirements for training of enrolled volunteer worker groups in Civilian Protection, which must be met in order to qualify for Federal recognition implied in award of arm-band insignia.

## Police Department

1. Auxiliary police
2. Bomb Squads

Whose functions are, control of traffic, patrolling of streets, guarding of special defense points, preventing looting, enforcing blackouts, controlling panic, removal of duds and time bombs.

## Training required:

Auxiliary police: First Aid, 10 hrs.; Fire defense, 10 hours; Gas defense, 2 hours; General course, 5 hours; Drill, 5 hours; Total 32 hours.

Bomb Squad: First Aid, 10 hours; Gas defense, 2 hours; General course, 5 hours; Drill, 2 hours and in addition such technical training as may be prescribed in future regulations, estimated to amount to 30 hr. Total (exclusive of technical subjects) 19 hours.

Mrs. C. C. McDonald and Mr. Cox will meet all residents of Kila on Friday night, April 17th at 8 o'clock at the school house for purpose of completing the organization of Civilian Defense for that community.

The film "Fighting the Fire Bomb" will be shown at the same time.

The Salvage Committee has been busy at work getting organizer and the organization is planning to collect all scrap materials. As yet all know, the Easter Holidays caused a delay, but we expect by next week to be able to give you detailed information as to the day, and place of assembly. We are badly in need of a scale to weigh the scrap iron and scrap rubber and such items.

One reason why we have not collected the scrap materials is because we have been waiting for a list of prices from the State Salvage Committee. We expect to get this list shortly.

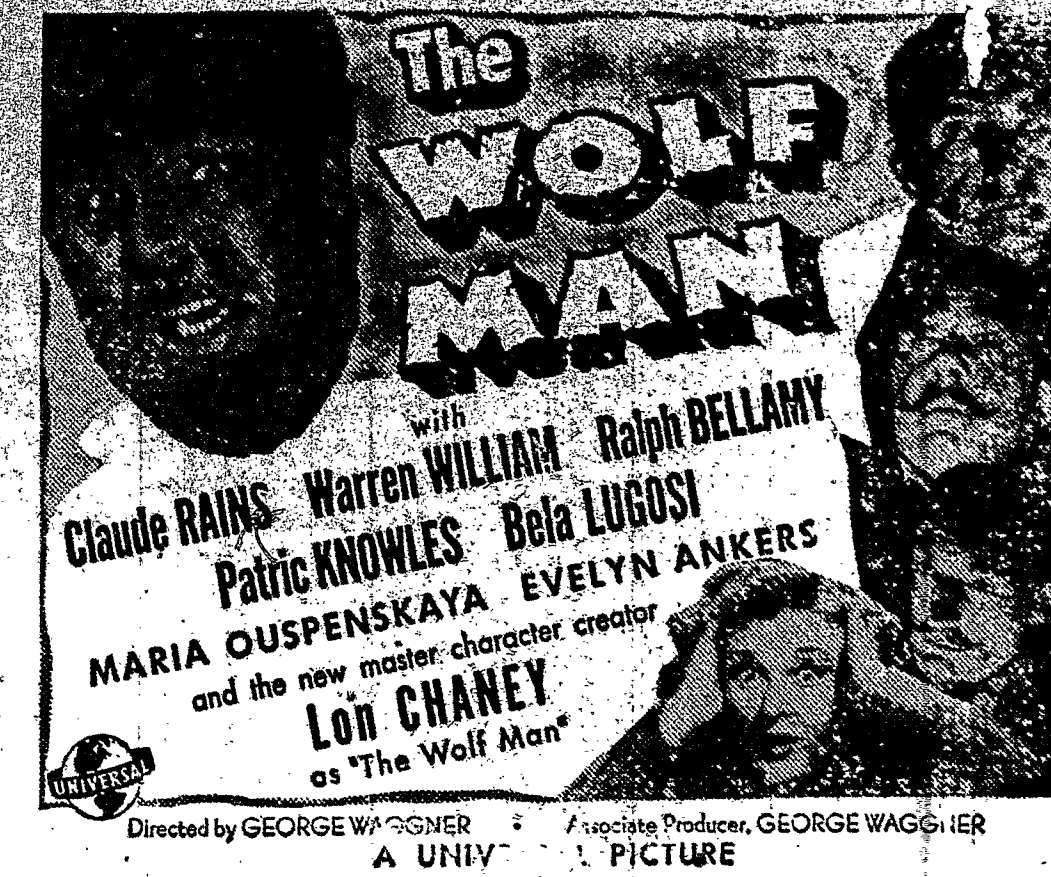

The collection of waste paper in Bay St. Louis has been going along splendidly and the Boy Scouts will soon have a car load of waste paper. For those outside of Bay St. Louis, we will ask them to please be patient, as we hope to have trucks going through the county to pick up all the salvage within a few weeks.

We want everyone to call for information about salvage either Mrs. John Green, Jr. or Mr. J. Roland Weston. If we cannot answer your inquiry at the time, we will make a note of it and when we get the information, we will let you hear from us.

## Letter of Appreciation

The publisher of The Echo is in receipt of a letter from Sidney Manier, Jr., who is a member of the 538th School Squadron, Williams Field, Chandler, Arizona, thanking us for having mailed him The Echo. Sidney says that he was glad to get the news from Bay St. Louis; that it is hot in the Wild West; that he goes into town practically every week and that the people of Chandler are very nice to them. They invite the boys to dinner, take them to dances, shows and parties, and the soldiers deeply appreciate the many things that are done for them, but with all this, Sidney states that he would like to see his friends in the Bay once in a while, and that he has high hopes of seeing them soon. We deeply appreciate this letter from Sidney and to him we wish success and plenty of luck.

## An Unfortunate Situation

It appears that our very good friend, Roland Weston, Hancock County's Chairman of the Salvage For Victory Committee, has not been following the articles in the newspapers relative to the rationing of razor blades. He has taken a couple of years time to grow a real nice looking Van Dyke, and now lo, and behold, when the time is at hand for the rationing of razor blades, he has shaved it off.

Shame on you, Roland! You should not treat your friends this way. Now, we fellows who have to shave every day, will have to share a razor blade with you.

## Ice Cream Parlor To Open Sunday
